

Seed funding for R&D projects with **UNITEC: INNOGAP**

Technology Platform

Technology transfer between private and
public sector

Proof-of-Principle Fund: INNOGAP

- **What?** Unitec created the INNOGAP proof-of-principle fund to help researchers at UNIGE and HUG to move their research discoveries toward practical implementation : to building prototypes or demonstrators and for proof-of-principle studies
- **For Whom?** Researchers at UNIGE and HUG (collaborative projects within UNIGE or with other Geneva institutions, e.g. HES and HUG, are particularly encouraged).
- **How?** grants of up to 30'000CHF each
- **When?** 2 calls per year

INNOGAP: Pre-requisites and information

- The project is linked to an active Unitec technology commercialization case (an invention disclosure has been filed and accepted by Unitec).
- The technology is not sufficiently developed for commercialization.
- The grant would, in principle, allow substantial progress towards commercialization.
- Innovator's lab cannot have previously benefited from a INNOGAP grant linked to the same technology.
