

## **Equal Opportunity Funding available – child-care costs during conferences**

### **What?**

Financial support for child-care during conferences/meetings/workshops that you attend.

### **Who?**

All PhDs and postdocs working at the faculty of science at the University of Bern.

### **How?**

Please send a short application by email. The application should include information about the conference you are planning to attend, an estimated of the requested financial support and a short explanation of the requested financial support.

### **When?**

Please send requests anytime. Funding will be granted as long as money is available.

### **To whom?**

Please send your request for support electronically to:
