Walk from bus stop 55 to the Geneva Observatory

Car driving instructions to the Geneva Observatory

Follow motorway A1 direction Geneva.

Take exit 10-Coppet and turn right, following the direction of Divonne.

On the first roundabout, turn left (third exit), following the direction of
Chavannes-des-Bois.

On the next roundabout, go straight (first exit) and follow the main road,
passing the village of Chavannes-des-Bois.

In the village of Sauverny, at the T-fork, turn left following the direction of
Versoix.

The road to the Observatory is 1.3 km further on your left. It is in the woods,
indicated with blue signs.
